Nobles County Administrator Tom Johnson was a guest at the March meeting of the Nobles County Historical Society board of directors. He shared the plans for the former Armory building and answered questions.

Following his presentation, the board adopted a motion as follows:

"The Nobles County Historical Society supports the current plan to rehabilitate the former Armory building to include space for NCHS museum and office facilities."

We extend our thanks to Mr. Johnson for meeting with us, and to everyone who has worked on this project.

Sincerely yours,
