Mission Statement

It is the mission of the Nobles/Rock County Adult and Children's Mental Health Local Advisory Council to advocate for comprehensive and accessible mental health services to all Nobles and Rock county residents. These services may include prevention, education, screening, treatment, crisis response, stabilization and case management. The Council believes in promoting independence and safety of people with mental illness. Council members will promote mental health as a positive experience and work to enable families to be an integral part in the development and delivery of services.
