REMARKS: Kevin,

Included in this email is a link to download the letter with the additional information regarding the repair history and condition of the existing JD 24 tile. Please distribute this to the Drainage Authority members ahead of next weeks hearing. Feel free to post this information on the website(s) with the other JD 24 information.

Please feel free to contact me with any questions. Bill is out of the office until late Thursday.

Thanks,

Shaun Luker
