**Re: Jackson and Nobles Counties JD #24 Redetermination of Benefits
Our File No. 26719-0006**

Dear Kevin and Joyce:

Enclosed please find an original and two copies of the Findings of Fact and Order approving the Redetermination of Benefits on JD #24 that we did a couple of meetings ago. If it meets with your approval, we will have the Board Chairperson sign the Order on December 13th. Please be sure that the correct approved Viewers' Report is attached as Exhibit A, as it is extremely important that the complete and correct report is attached, so years from now it is the correct report used for assessments. Since Jackson is the lead County, the original Order will be filed in Jackson County, but I wanted to make sure Joyce had a copy. I am sending a copy of this to Ron Ringquist so that he makes sure that he works with Kevin to make sure the correct Exhibit A is attached to the Order.

If you have any questions, please let me know; otherwise, I will see you on December 13th.

Very Truly Yours,

Kurt A. Deter
