## **COMMISSIONER BRIEFING**

*May 19, 2020*

*Addendum*

*Proposal for Door Security*

*Tom Johnson, Administration*

### **Issue:**

Preparation for a possible soft opening of the Government Center staffing assistance.

### **Discussion:**

At the last board meeting, the board gave approval to the County Administrator to hire temporary security staff if it would be necessary to safely conduct business at the Government Center.

We have reached out to the law enforcement program students at Minnesota West but we didn't get enough applications to cover our needs. We have contacted Signal 88 based out of Sioux Falls and they have provided us with a proposal. They gave us a rate of \$23.00 per hour for two door security staff each. It is undetermined at this time how long we will need these positions.

### **Options:**

Authorize the County Administrator to sign the proposal from Signal 88.  
Take no action.

### **Recommendation:**

Staff recommend authorizing the County Administrator to sign the proposal from Signal 88.
