3.0 Approval of Agenda
VOTING It was duly passed to approve the agenda as presented. Motion by: Metz, Gene Seconded by: Paplow, Bob
4.0 CSAH 10 & SCAH 35 Roadway Improvements
Aaron Holmbeck, County Engineer, addressed the board regarding CSAH 10 & 35. Since only one quote was received for the project and was far over the estimate the board rejected the bid at a previous meeting. Engineer Holmbeck stated that the priority of the work is finishing a bus entrance/exit and a cross walk to the intermediate school. He stated the majority of these projects could be done in house. The concrete work would have to be sourced out but he has been in contact with three local contractors who showed interest in the project. School and City officials attended the meeting and voiced their opinions on the project. All were in agreement that the bus entrance and crosswalk needed to be completed before the start of school. Local funds along with CSAH funding would be utilized for the work. Concerns regarding speed were addressed. It was stated that a speed study would only be beneficial to do after school has started, otherwise the results will not show what speed is truly needed.
VOTING It was duly passed to approve the necessary work to be completed on CSAH 10, which is a pedestrian crossing and completing a bus entrance/exit at the Intermediate School while observing the area in the Fall to see what the next steps will be. Moved by: Ahlers, Justin Seconded by: Metz, Gene
5.0 Adjournment It was duly passed to adjourn the meeting at 4:58 p.m. Moved by: Ahlers, Justin Seconded by: Paplow, Bob
