Preliminary Engineer's Report

The Preliminary Engineer's Report for Nobles, Jackson & Murray Counties Judicial Ditch No. 17 (JD 17) was submitted on April 28th, 2023. The hearing will be held on **Friday, June 23, 2023 at 9:00 AM** at the Farmers Room in the Nobles County Government Center. If you cannot attend in person, please join us via the virtual meeting room with the information below. Since this project has had multiple landowner meetings, a landowner meeting prior to the hearing will not occur.

If you have any private tile maps that may be affected by the proposed project, ISG would appreciate a copy of them to minimize the disturbance of the tile. If you are unable to make a copy, ISG can scan your original at the meeting for our records. If you do not want your tile shown on our maps, please let us know at the time we receive them and we will use it for design and not show on the maps.
